

# #194100 UNISEX MASKSTRAP

- Plastic hooks easily clip onto face mask ear loops
- Plastic toggle on strap allows for a customizable fit
- Enhances face mask comfort by pulling ear loops away from the ears to relieve pressure on the backs of the ears
- Keeps face mask securely around neck when not in use
- Breakaway barrel fasteners provide the safety feature needed to avoid hazards - tested to release at low force yet hold masks in place for additional comfort while wearing
