

Specification Sheet

Part Number: PRT1

Article Number 182-00001

Type PRT1

Color Yellow (YE)

Features & Benefits

- Panel rivets are made with nylon material to hold duct securely to the panel without corroding, ensuring longevity.
- Panel rivets can be easily inserted with use of a specially designed, long shafted panel rivet tool.
- Ergonomic design of the tool ensures effortless use when inserting rivets into deep channels or locations difficult to access.

Quantity Per EA

Product Description	HellermannTyton panel rivets are one piece drive rivets that provide a fast, economic means of affixing wiring duct. The rivet is inserted into a 3/16" pre-punched hole and the pin is driven into the base, thereby expanding the rivet legs and locking the duct and sub-panel in place. The panel thickness (including the duct thickness) should be a maximum of 3/16". A panel rivet tool is also available for quick and easy installation of the drive rivets.
Short Description	Panel Rivet Tool, Yellow, 1/pkg
Global Part Name	PRT1-PL-YE
Technical Description	Panel Rivet Tool
Material	Plastic (PL)
Material Shortcut	PL
Flammability	UL 94 HB
Halogen Free	No
Reach Compliant (Article 33)	No
Package Quantity (Imperial)	1
Package Quantity (Metric)	1
Customs Number	3926909988
