Features & Benefits	<ul style="list-style-type: none"><li>• The basic kit contains 220 pieces of black polyolefin heat shrink tubing in assorted diameter sizes and lengths.</li><li>• The 3 to 1 shrink ratio covers a wide range of components, sizes and shapes.</li><li>• Material is self-extinguishing, for use in applications in which non- flammable materials are required.</li></ul>
Quantity Per	kit

### Product Description

Heat shrink kits are a convenient solution for "on-the-job" projects. This 3 to 1 shrink ratio tubing features a flexible, thin wall to cover a wide range of components, sizes and shapes. The polyolefin material has a higher operating temperature range than general-use heat shrink tubing. The basic kit contains an assortment of black color tubing in variety of diameter sizes and lengths.
