Product Description

Heat shrink kits are a convenient solution for "on-the-job" projects. This 3 to 1 shrink ratio tubing features a flexible, thin wall to cover a wide range of components, sizes and shapes. The polyolefin material has a higher operating temperature range than general-use heat shrink tubing. The assorted universal kit contains an assortment of colored tubing in variety of diameter sizes and lengths.

Short Description

Heat Shrink Tubing, 3:1 Assorted Universal Kit, assorted Dia, color & lengths, PO, Assorted Colors, 177 pcs/pkg

Global Part Name

ShrinkKit 321 Universal Basic-PO-X-MIX

Contents of pkg/kit	This compact kit contains a selection of widely used coloured tubing in five sizes and five colours in different lengths. The kit contains 177 pieces in total.
Variant	Thin-Wall
Material	Polyolefin, cross-linked (PO-X)
Material Shortcut	PO-X
