

Specification Sheet

Part Number: TAG15-600

Dot Matrix Label, 1.0" x .50", 7 Across, Metalized Polyester, Silver, 5000/pkg

Article Number

595-15600

Type

TAG15

Color

Silver (SR)

Features & Benefits

- Metalized dot matrix polyester has a matte finish, allowing for the highest resolution and print contrast using impact printers.
- The acrylic-based adhesive bonds to a wide variety of substrates and can withstand high temperatures long term.
- Tabtag dot matrix labels are specifically made for use in dot matrix printers for fast and easy printing.
- Labels come with a pin-feed margin to ensure they can easily be loaded into any dot matrix printing system.

Quantity Per

pack

Product Description

HellermannTyton's metalized polyester labels include a layer of metallic particles that give the appearance of being made of metal. Applications include asset tracking and product rating plates. The high operating temperature makes them suitable for use on electronic equipment. Great for replacing expensive metal stampings, engravings and even silk screened rating plates and can be placed on a wide variety of surfaces.
