**Features & Benefits**

- The legend bases can be fixed to flat surfaces by a rivet, cable ties, screws and also come with an adhesive backing for easy installation.
- Used with the legend inserts and clear covers, the bases provide durable and permanent identification.

**Quantity Per** pack

<b>Product Description</b>	Plastic Nameplate labels are less costly than plastic or metal engraved plates, saving material costs. Plastic Nameplate labels are made of a UL94VO rated polycarbonate that can be mounted mechanically or using an adhesive backing. HellermannTyton thermal transfer or laser labels can be printed and applied to the inserts and covered with a clear plastic cover to protect printed text.
