

## Specification Sheet

Part Number: 596-00915

Foam Nameplate labels are less costly than plastic or metal engraved plates, saving material costs.

Foam Nameplate labels conform to textured and other low energy surfaces ensuring the labels stay in place for the life of the product.

Labels are UV and chemical resistant for long life in an industrial environment.

Foam nameplate labels are printable using a thermal transfer printer for complete control and on-demand creation of labels.

Product Description  
Foam Nameplate labels are designed to replace plastic and metal engraved phenolic plates commonly found on electrical control panels. The labels provide the look and feel of a plastic engraved or metal plate, but at a fraction of the cost. Labels can be printed using HellermannTyton Tagprint Pro labeling software and can include printed logos, barcodes and text of almost any size and type.
