

Specification Sheet

Part Number: CS-P280-036

Solid grommet can be field split, allowing installation over pre-terminated cables.

IP-68 compliant seal protects 8-9 mm cable entry, preventing water damage.

Grommet is color coded for easy size identification.

CCP Entry Seal, Dia 8.0 - 9.0mm, Red, 1/pkg

Article Number	857-40591
Type	CABLE-SEAL-P280-036
Color	Red (RD)
Product Description	The CCP entry seals provide dust and water protection for the cable entering and exiting the CCP cable ports. The CCP is provided with a 4-6mm split seal with a sealing pin to provide protection with or without a cable installed. This is a non-split replacement seal for the CCP to be used with 8-9mm diameter cable. Seal can be field split to install over pre-terminated cable ends and continue to meet IP-68 sealing requirements.
Short Description	CCP Entry Seal, Dia 8.0 - 9.0mm, Red, 1/pkg
Global Part Name	CABLE-SEAL-P280-036

Package Quantity (Imperial) 1

Package Quantity (Metric) 1
