Part Number: RNSAPP1U

RNS Series Angled Modular Panel, 1U, Black, 1/ctn

Article Number	859-30060
Type	RNA6UXX-PE1USC
Color	Black (BK)
Features & Benefits	<ul style="list-style-type: none">• 1U RNS Series angled modular panel accepts 4 RNS Series short body cassettes and provides copper and fiber solutions in the same footprint.• Simple, easy insertion with push down clip.• Angled design provides increased rack capacity.
Quantity Per	box
Product Description	RapidNet is HellermannTyton's patented pre-terminated "connect and go" system which offers a high performance in copper and fiber solutions for data centers and storage area network applications. These pre-terminated solutions do not require on-site termination or certification testing which dramatically reduces installation time up to 85%.
Short Description	RNS Series Angled Modular Panel, 1U, Black, 1/ctn

Global Part Name

RNA6UXX-PE1USC

Technical Description

The RapidNet Angled panel is manufactured from 1.6mm powder coated mild steel making it rigid and robust. The panel has a matt black finish and is screen printed with port numbers 1 to 24 as well as clear port identification labelling areas for easy user identification which can be customised through Alpha Label software at www.htdata.co.uk. The panels is supplied with Screw fixings as standard, panels can also be supplied with Rack Snaps, Cage Nuts or without fixings if required
