

## Specification Sheet

Part Number: RNSAPP2U

RNS Series Angled Modular Panel, 2U, Black, 1/ctn

**Article Number**

859-30064

**Type**

RNA6UXX-PE2USC

**Color**

Black (BK)

**Features & Benefits**

- 2U RNS Series angled modular panel accepts 8 RNS Series short body cassettes and provides copper and fiber solutions in the same footprint.
- Simple, easy insertion with push down clip.
- Angled design provides increases rack capacity.

**Quantity Per**

box

**Product Description**

RapidNet is HellermannTyton's patented pre-terminated "connect and go" system which offers a high performance in copper and fiber solutions for data centers and storage area network applications. These pre-terminated solutions do not require on-site termination or certification testing which dramatically reduces installation time up to 85%.

**Short Description**

RNS Series Angled Modular Panel, 2U, Black, 1/ctn

**Global Part Name**

RNA6UXX-PE2USC

**Technical Description**

The RapidNet Angled panel is manufactured from 1.6mm powder coated mild steel making it rigid and robust. The panel has a matt black finish and is screen printed with port numbers 1 to 48 as well as clear port identification labelling areas for easy user identification which can be customised through Alpha Label software at [www.htdata.co.uk](http://www.htdata.co.uk). The panels is supplied with Screw fixings as standard, panels can also be supplied with Rack Snaps, Cage Nuts or without fixings if required
