RapidNet CAT 6A F/UTP Cassette to Cassette, Plenum Cable, Blue, 6 port, 1/ctn

Article Number	904-00677
Type	RapidNet
Color	Blue (BU)
Features & Benefits	<ul style="list-style-type: none">• Versatile product offering allows customization for structured cabling requirements.• Factory terminated and 100% tested for consistent performance.• Short body cassette available for areas with limited space or restricted access.• Quick-release lever allows easy insertion and release of the cassette.• Patented cassette design allows copper and fiber solutions within the same footprint.
Quantity Per	carton

Product Description

RapidNet is HellermannTyton's patented pre-terminated "connect and go" system which offers a high performance in copper and fiber solutions for data centers and storage area network applications. These pre-terminated solutions do not require on-site termination or certification testing which dramatically reduces installation time up to 85%.
