- Short body cassette available for areas with limited space or restricted access.
- Quick-release lever allows easy insertion and release of the cassette.
- Patented cassette design allows copper and fiber solutions within the same footprint.

Quantity Per

carton

Product Description

RapidNet is HellermannTyton's patented pre-terminated "connect and go" system which offers a high performance in copper and fiber solutions for data centers and storage area network applications. These pre-terminated solutions do not require on-site termination or certification testing which dramatically reduces installation time up to 85%.
