

Specification Sheet

Part Number: RNS6BPBCKCKXXX

RapidNet CAT 6A UTP RNS Cassette to RNS Cassette, Plenum Cable, Blue, 6 port, 1/ctn

Article Number	904-00926
Type	RapidNet
Color	Blue (BU)
Features & Benefits	<ul style="list-style-type: none">• Versatile product offering allows customization for structured cabling requirements.• Factory terminated and 100% tested for consistent performance.• Short body cassette available for areas with limited space or restricted access.• Quick-release lever allows easy insertion and release of the cassette.• Patented cassette design allows copper and fiber solutions within the same footprint.
Quantity Per	carton

Product Description

RapidNet is HellermannTyton's patented pre-terminated "connect and go" system which offers a high performance in copper and fiber solutions for data centers and storage area network applications. These pre-terminated solutions do not require on-site termination or certification testing which dramatically reduces installation time up to 85%.

Short Description

RapidNet CAT 6A UTP RNS Cassette to RNS Cassette, Plenum Cable, Blue, 6 port, 1/ctn

Global Part Name

RapidNet-BU

Technical Description

- Performance that exceeds all requirements defined in the TIA/EIA 568-B.2-10 standard for augmented Category 6 (CAT 6A) to support 10GBASE-T networks.
- Delivering speeds up to 1010 bits per second (10,000,000,000bps) and up to 500MHz in copper, Category 6A RapidNet Systems will help to future proof the installation.
- Jacks are available in a variety of colors to help define network features such as routes, services, hierarchies or security levels.
- RNS solutions available for installation in the standard RNG modular panels or RNS angled modular panels.

Port Count

6

Variant

RNS series
