

Specification Sheet

Part Number: FALCDMM

Adapter, LC Duplex, MM, No Flange, Beige, 1/pkg

Article Number

904-01204

Type

FALCDMM

Color

Beige (BGE)

Features & Benefits

- Snap-in, no flange design.
- Color coded for fiber/polish type.
- Dust caps included.

Quantity Per

EA

Product Description

Fiber-Optic Adapters are designed to connect fiber-optic patch cords and pigtails to each other. Connector ferrules are aligned with the internal precision alignment sleeve to provide optimal performance of the mated pair for data communications. Adapters are color coded to industry standards and provided with dust caps on both sides.
