CAT5E - Enhanced Category 5 CMP Plenum Rated
300 Volt

Cat5e - Enhanced Category 5 CMP
Plenum Rated FTP
300 Volt

Telephone and Data Cable

Category Conductor Description:

- Solid bare copper

Category Insulation Description:

- Fluorinated Ethylene Propylene (FEP)

Shield:

- Aluminum mylar tape with tinned copper drain wire

Category Jacket Description:

- Low smoke Polyvinyl Chloride (PVC)

Ripcord:

- Per request

Applications:

- Horizontal or vertical(riser) wiring in LAN

Standards:

- EIA/TIA568 & ISO/IEC11801
- ETL/UL Available
