Organization Commentary

Dr. Hitinder Gurm, Interim Chief Medical Officer

University of Michigan Hospitals and Health Centers 1500 East Medical Center Drive, Ann Arbor, Michigan 48109-0475 www.med.umich.edu Prepared by Quality Improvement & Accreditation Department June 2008 UMHHC Director & Chief Executive Officer: Doug Strong (734) 764-1505 The University of Michigan Hospitals and Health Centers - the collective units responsible for clinical care operations within the University of Michigan Health System - include three hospitals: University Hospital, C.S. Mott Children’s Hospital and Women’s Hospital; a Cardiovascular Center; and numerous outpatient clinics. The University of Michigan Health System is driven by a mission to provide excellence and leadership in patient care and services, research and education. This mission is accomplished through the collaborative efforts of staff and faculty who are guided by shared values of respect, compassion, trust, integrity, efficiency and leadership. Over the years, the University of Michigan Hospitals and Health Centers consistently has ranked among the best health care institutions in the nation, and has been recognized for excellence on numerous fronts.
Cooperative Agreements

Hospital - Accredited by American College of Surgeons-Commission on Cancer (ACoS-COC)

Laboratory - Accredited by American Society for Histocompatibility and Immunogenetics (ASHI)

National Patient Safety Goals and National Quality Improvement Goals

Symbol Key

- 🌟 This organization achieved the best possible results
- 🟢 This organization's performance is better than the target range/value
- 🟡 This organization's performance is similar to the target range/value
- 🔴 This organization's performance is worse than the target range/value
- 🚫 This measure is not applicable for this organization
- ⏪ Not displayed

Measures Footnote Key

1. The measure or measure set was not reported.
2. The measure set does not have an overall result.
3. The number is not enough for comparison purposes.
4. The measure meets the Privacy Disclosure Threshold rule.
5. The organization scored above 90% but was below most other organizations.
6. The measure results are not statistically valid.
7. The measure results are based on a sample of patients.
8. The number of months with measure data is below the reporting requirement.
9. The measure results are temporarily suppressed pending resubmission of updated data.
10. Test Measure: a measure being evaluated for reliability of the individual data elements or awaiting National Quality Forum Endorsement.
11. There were no eligible patients that met the denominator criteria.

* This information can also be viewed at Hospital Compare.

** Indicates per 1000 hours of patient care.

*** The measure was not in effect for this quarter.

---- Null value or data not displayed.
