National Patient Safety Goals and National Quality Improvement Goals

Symbol Key

-  This organization achieved the best possible results
-  This organization's performance is above the target range/value
-  This organization's performance is similar to the target range/value

- ⊖ This organization's performance is below the target range/value
- ⊖/A This measure is not applicable for this organization
- ⊖/D Not displayed

Measures Footnote Key

- The measure or measure set was not reported.
- The measure set does not have an overall result.
- The number is not enough for comparison purposes.
- The measure meets the Privacy Disclosure Threshold rule.
- The organization scored above 90% but was below most other organizations.
- The measure results are not statistically valid.
- The measure results are based on a sample of patients.
- The number of months with measure data is below the reporting requirement.
- The measure results are temporarily suppressed pending resubmission of updated data.
- Test Measure: a measure being evaluated for reliability of the individual data elements or awaiting National Quality Forum Endorsement.
- There were no eligible patients that met the denominator criteria.

The Joint Commission only reports measures endorsed by the [National Quality Forum](#).

* This information can also be viewed at [Hospital Compare](#).

** Indicates per 1000 hours of patient care.

*** The measure was not in effect for this quarter.

---- Null value or data not displayed.
